Overall Performance

Condensed Interim Statements of Financial Position

On the Condensed Interim Statements of Financial Position, total assets were \$51,237,592 as of September 30, 2024, compared to \$51,695,631 as of December 31, 2023. The decrease of \$458,039 in total assets during the nine months is primarily due to a decrease in cash for payments related to construction work at Tri-City Mall.

The Company's cash and cash equivalents balance decreased by \$485,722 during the nine months to \$243,704 at September 30, 2024, from \$729,426 as of December 31, 2023. The decrease in cash and cash equivalents is mostly due to receivables collected during the nine months and offset by the use of funds for regular property management expenses, mortgage payments, and administration, in particular, the payment of construction work.

Accounts receivable decreased to \$367,301 at September 30, 2024, from \$460,948 as of December 31, 2023, mostly due to the Company's outstanding receivables in common area and property taxes.

Total prepaid expenses for the Company are \$155,545 as of September 30, 2024, and \$5,674 as of December 31, 2023. The increase is due to property taxes paid in June for the fiscal year.

As at September 30, 2024, the right-of-use asset for the office lease has a remaining balance of \$14,241 compared to a balance of \$28,482 as at December 31, 2023.

Investment properties remained the same at \$50,360,000 as of September 30, 2024 and as of December 31, 2023, due to expenditures invested in the properties during the nine months and the resulting adjustment in the fair value of the three properties.

The Company holds common shares of a related company. The value of the shares is \$40,680 as of September 30, 2024, compared to \$24,408 as of December 31, 2023.

Other assets totalling \$56,121 represent the value of shares held in several credit unions.

With respect to liabilities, accounts payable and accrued liabilities decreased to \$2,346,693 as of September 30, 2024, from \$2,465,831 as of December 31, 2023, due to change in estimate of accrued liabilities during the nine months and normal operations such as common area expenses and accrued interest.

Mortgages payable decreased to \$22,785,164 as of September 30, 2024, from \$23,316,105 as of December 31, 2023, due to normal payment of mortgages during the nine months.

As at September 30, 2024, the lease liability for the office lease has a remaining balance of \$15,074 compared to a balance of \$29,384 as at December 31, 2023.

As of September 30, 2024, the Company had an outstanding loan obligation of \$2,147,000 from a related corporation, Ceyx Properties Ltd. The loan is unsecured, with access to a maximum value of up to \$6,000,000 and interest payable of 6% per annum. Interest is accrued but not compounded. The companies are related by virtue of the fact that they have the same President. The related corporation is not a subsidiary.

The deferred income tax liability of \$1,784,000 as of September 30, 2024, represents the Company's future obligations due to temporary differences between the accounting basis and the tax basis of the assets and liabilities, and tax loss carry forwards.

Total liabilities decreased to \$29,077,931 as of September 30, 2024, from \$29,712,320 as of December 31, 2023. This decrease is primarily due to normal payments of interest and accounts payable and accrued liabilities.

Shareholders' equity was \$22,159,661 as of September 30, 2024, compared to \$21,983,311 as of December 31, 2023. The increase in shareholder's equity was due mostly to the exercising of options and nominal increase from rental revenue, common area and property tax recoveries, offset by repayment of mortgages.

Condensed Interim Statements of Income (Loss) and Comprehensive Income (Loss)

For the quarter ended September 30, 2024, revenue increased to \$1,169,849 from \$1,134,919 for the quarter ended September 30, 2023. The increase was primarily due to increases in rent and common area & realty tax recoveries.

Accordingly, rental income increased by \$25,921 or 3.39% as a result of increases in rent, new tenants and percentage rent by some tenants. Step rent revenue changed from \$31,375 in the quarter ended September 30, 2023, to \$7,023 in the quarter ended September 30, 2024, a non-cash amount representing the straight-line recognition of the future rent increase for the new leases. Common area and realty tax recoveries increased by \$33,361 or 9.85% for the quarter compared to the same period last quarter, due mostly to the increase common area and realty taxes recoverable from existing and new tenants.

Expenses for the quarter increased to \$1,076,718 as of September 30, 2024, from \$1,066,670 for the quarter ended September 30, 2023, an increase of \$10,048 or 0.94%. The primary reason for the increase in expenses is a nominal increase in operating costs and realty taxes, and administration expenses, offset by a decrease in interest payments in the quarter.

Increases in operating costs and realty taxes of \$9,984 or 2.28% reflect an increase in operating cost mostly due to the new building 5 being fully tenanted compared to the same period last year.

Administration expenses increased nominally by \$12,541 or 6.67% mostly due to nominal increases in professional fees; otherwise, administration expenses remain stable.

Overall, within the normal operations of the Company, expenses are holding steady, and management remains focused on controlling costs and operating efficiently.

Net income before unrealized loss from investments, fair value adjustment, other income and income taxes for the quarter ended September 30, 2024, was an income of \$93,131 compared to an income of \$68,249 for the quarter ended September 30, 2023. As a result, basic and diluted net income per share before unrealized gain, fair value adjustment, other income and income taxes was \$Nil per share for the quarter ended September 30, 2024, and September 30, 2023.

Net income and comprehensive income for the quarter ended September 30, 2024, was an income of \$133,199 compared to income of \$26,571 for the quarter ended September 30, 2023. The increase in cash provided by operating activities was primarily due to higher income during 2024 in comparison to 2023, after excluding adjustments for non-cash items such as fair value adjustments.

Financing activities for the nine months ended September 30, 2024, recorded funds used of \$1,545,793 compared to funds provided of \$1,385,941 for the nine months ended September 30, 2023.

Third Quarter 2024

Major events and results relating to the quarter ending September 30, 2024 are covered in the section "Third Quarter 2024 Highlights".

Changes in Accounting Policies

IFRS 16 Leases (Amendment)

In September 2022, the International Accounting Standards Board (IASB) issued amendments to IFRS 16 Leases to add subsequent measurement requirements for sale and leaseback transactions that satisfy the requirements in IFRS 15 *Revenue from Contracts with Customers* to be accounted for as a sale. The amendments were incorporated into Part I of the CPA Canada Handbook in December 2022.

The amendments require a seller-lessee to subsequently measure lease liabilities arising from a leaseback in a way that it does not recognize any amount of the gain or loss that relates to the right of use it retains. The IASB has not prescribed a particular method for measuring the lease liability.

A seller-lessee must apply the amendments retrospectively in accordance with IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*.

The amendments are effective for annual reporting periods beginning on or after January 1, 2024, with early adoption permitted. The Company adopted the amendments effective January 1, 2024 with no material impact to the financial statements.

IAS 1 Presentation of Financial Statements (Amendment)

In January 2020, the International Accounting Standards Board (IASB) issued amendments to IAS 1 *Presentation of Financial Statements* which were incorporated into Part I of the CPA Canada Handbook – Accounting in April 2020. The amendments clarify the requirements for classifying liabilities as either current or non-current by:

- Specifying that the conditions which exist at the end of the reporting period determine if a right to defer settlement of a liability exists;
- Clarifying that settlement of a liability refers to the transfer to the counterparty of cash, equity instruments, other assets or services;
- Clarifying that classification is unaffected by management's expectation about events after the balance sheet date; and
- Clarifying the classification requirements for debt an entity may settle by converting it into equity.

The amendments are effective for annual reporting periods beginning on or after January 1, 2024, with early adoption permitted. The Company adopted the amendments effective January 1, 2024 with no material impact to the financial statements.

IAS 1 Presentation of Financial Statements (Amendment)

In October 2022, the International Accounting Standards Board (IASB) issued amendments to IAS 1 which were incorporated into Part I of the CPA Canada Handbook – Accounting in December 2022. The amendments require an entity to disclose, in specified circumstances, information in the notes that enables financial statement users to understand the risk that non-current liabilities with covenants could become repayable within 12 months after the reporting period. As part of the amendments, a provision was added to clarify that only covenants that an entity must comply with on or before the reporting date would affect a liability's classification as current or non-current, even if compliance with the covenant is only assessed after the entity's reporting date. Covenants which an entity must comply with after the reporting date would not affect classification of a liability as current or non-current at the reporting date.

The amendments are effective for annual reporting periods beginning on or after January 1, 2024, with early adoption permitted. The Company adopted the amendments effective January 1, 2024 with no material impact to the financial statements.

Risk and Uncertainties

The Company depends on several national retail chains for a significant part of its income. If any of these chains were adversely affected by economic or business conditions, it would have a negative impact on the Company. The Company would also be adversely affected by a long-standing large increase in interest rates or a severe economic slowdown.

OUTLOOK

Canadian consumers continue to deal with affordability issues with the media reporting reduced discretionary spending in the retail sector. During the past quarter, capital markets have been volatile due to the uncertainty of a US economic slowdown and the central bank's effort to decrease interest rates to stimulate the economy. The recent election of a Republican President has caused a jump in the equity market. Still, unrest in Europe, the Middle East and Asia Pacific remains a concern for economic growth. The result is that interest rates, affordability issues and global events affecting oil prices will ensure that economic uncertainty will be with us well into 2025.

For the Company, our properties are in regions with diverse economies and do not solely depend on the oil & gas sector. While it's anticipated that oil prices will impact local economies, they will be softened somewhat in these two regions due to their diversification, with agriculture, tourism, and the Canada Forces Base in Cold Lake, in addition to the oil and gas industry. Locally, the City of Cold Lake is anticipating economic growth in the coming decade.

The Canadian central bank has reduced the interest rates ahead of the US and has signalled that further rate reductions could be on the horizon. However, the current interest rates are still high for consumers to simulate consumer spending. The key remains the high interest rate, which impacts residential mortgages, the single largest expenditure for Canadian consumers. As a result, the Company is monitoring the interest rate regularly.

Operationally, our business model has enabled the Company to weather past economic downturns better than most sectors, as our anchor tenants and national retailers are key retailers in their region. In addition, groceries, pharmacies, and some of our other tenants are deemed essential services.

While the Canadian retail market will be facing a major reorganization, the Company has historically been able to renew leases when due and secure new tenants when opportunities arise. Accordingly, management is continuing its efforts to lease the remaining vacancies at Tri-City Mall.

Tri-City Mall, Cold Lake, Alberta

The Tri-City Mall remains the flagship mall in the Company's portfolio and represents a major portion of the revenue generated for the Company.

The Company is pleased to welcome Western Financial Group to the mall, with an opening in the third quarter of 2024.

The Company is committed to leasing the remaining space in Tri-City Mall and fully leasing the mall.

With the changes noted above, the current tenant profile remains stable with Ardene, ATB Financial, Fire & Flower, Government of Alberta Infrastructure, Bootlegger, Bross Hair, Dollar Tree, Easy Financial, Pet Valu, Pizza Hut, Sobeys, Sportchek, Subway, Taco Bell, Telus, V-Nails & Spa, Value Drug Mart, Warehouse One, Wendy's, Western Financial Group, and Winners. When fully leased, the mall will add substantial value to the Company's investment portfolio.

St. Paul Shopping Centre, St. Paul, Alberta

St. Paul Shopping Centre continues to be fully leased in its current configuration. The current tenant profile consists of Peavey Mart, Ardene, Dollar Tree, Marks, and Giant Tiger Stores occupying the mall. The two pad sites are leased by Tim Hortons and Petro Canada.

Three Hills, Alberta

The Three Hills property is leased long-term to Dollarama.

In Merritt, British Columbia, the Company still holds a vacant lot.

Our long-term financing consists of mortgages and an unsecured loan with a related party. As of September 30, 2024, the mortgages and loans outstanding for the Cold Lake and St. Paul properties stand at \$21,751,144 for these two properties bearing interest at 4.48% (\$2,156,860) maturing on April 1, 2025, and 6.98% (\$19,422,426) maturing on April 1, 2025 and April 28, 2025.

The Three Hills property has a mortgage balance of \$1,258,678 as of September 30, 2024, paying interest at 6.98% and maturing on May 4, 2025.

The Company has access to the loan with Ceyx of up to \$6 million to finance the redevelopment of the two malls and general operation of the Company of which \$2,147,000 is outstanding as of September 30, 2024 and with an accumulated interest of \$1,928,905.

The Company had cash and cash equivalents of \$243,704 as of September 30, 2024, with 21,410,685 shares outstanding. The closing price of the Company's common shares on the TSXV on September 30, 2024, was \$0.44.

Management continues to reduce costs at the corporate level and, when appropriate, to maintain or reduce Common Area Maintenance expenses on all properties.

We are focused on maintaining a strong relationship with our many quality tenants, such as Ardene, ATB Financial, Government of Alberta Infrastructure, Bootlegger, Dollarama, Dollar Tree, Easy Financial, Fire & Flower, Giant Tiger Stores, Mark's Work Warehouse, Peavey Mart, Pet Valu, Petro Canada, Pizza Hut, Sobeys, Sportchek, Subway, Taco Bell, Telus, Tim Hortons, V-Nails & Spa, Value Drug Mart, Warehouse One, Wendy's, Western Financial Group, and Winners. To view a complete list of our tenants, please visit our website at www.gpequities.com.

Our business model of investing in anchored shopping centres, with a focus on everyday needs, remains our competitive advantage during good and difficult economic conditions.

The Company continued to focus on securing new leases based on the current interest of national and local tenants. Management is committed to fully leasing Tri-City Mall, which will substantially increase the valuation of the investment portfolio based on external appraisals. The Company is pleased to report that St. Paul Shopping Centre continues to be fully leased based on the current configuration. The addition of Dollarama to the Three Hills property is a welcome addition to our portfolio of national tenants.

On a personal note, I would like to thank all Canadian retail workers and staff who continue to improve our lives.

Yours truly,

(signed) "Anthony J. Cohen"
